The background of the slide features a vibrant, abstract graphic of many hands raised in a gesture of unity or celebration. The hands are rendered in a variety of colors including yellow, orange, red, pink, purple, blue, and green, and are composed of overlapping, semi-transparent shapes that create a sense of depth and movement. The hands are positioned against a white background, which is itself set within a larger frame that includes a dark, curved border at the top and bottom.
