WHICH ADULTS ARE IN OUR CLASS?

Mrs Haddon

Mrs Solomon Wednesday afternoons

Miss Horne usually Monday and Wednesday mornings (shared between both year 4 classes)

OUR ROUTINES AND ORGANISATION

- Children come in from the playground when they are dropped off, from 8.40–8.50am, and organise their lunch boxes, bags, equipment and snacks etc in the appropriate places.
- They are greeted by myself at the door with a good morning.
- They will settle down in their seats and complete a Maths task
- Mrs Solamon takes them on Wednesday PM for French, arithmetic or Kinetic letters.
- They will be having a well being session with Miss Mellows on Wednesday afternoon too!
- PE is outdoors on Monday and indoors on Thursday.

House points have been introduced to be awarded alongside our school values. There will be certificates given to children demonstrating particular values successfully.

In year 4 the children have the opportunity to go on a residential. Last year we spent a couple of days and a night at the Frontier centre in Lrthlingborough. It is a really good chance for children to experience a night away as well as take part in some excellent activities and learn new skills.

A close-up photograph of a person's hands holding an open book. The book is open to two pages of text. The background is blurred, showing the person's torso and arms. The text 'THE IMPORTANCE OF READING' is overlaid in a large, white, serif font, centered over the book. Below the title is a thin, white, wavy horizontal line.

THE IMPORTANCE OF READING

In school we will make every effort to listen to your child read a once a week. They will be given multiple opportunities in multiple formats to read in class.

HOW TO CONTACT US

The background of the entire image is a solid, muted blue. In the center, there are two white telephone handsets. One handset is positioned above the other, and they are connected by coiled white cords that extend towards the left and right edges of the frame. The handsets are simple, modern in design, and have a slight curve. The lighting is soft, creating subtle shadows on the blue surface.

Phone school if urgent or you want to discuss something that you do not want to email. However, the best way is by email.
