Dear parent/carers,

As you will know the children have been given the fantastic opportunity of learning the clarinet in class between now and Easter. Both the lessons and musical instruments are being provided to our school by NMPAT.

Each child has their own clarinet assigned to them, and NMPAT have offered the option of your child being able to take their instrument home between lessons to practice.

If you wish for your child to take their clarinet home, you will need to sign an instrument loan form. This is an agreement between parents and NMPAT that should the clarinet become damaged or is lost, that you will be liable for the cost of a replacement.

Please let me know if you would like a copy of the instrument loan form to sign for your child.

Very best regards,
Mrs Baldwin
