5. Roles and responsibilities

5.1 The governing board

The governing board is responsible for monitoring this behaviour policy’s effectiveness and holding the headteacher to account for its implementation.

5.2 The Headteacher

The Headteacher is responsible for reviewing and approving this behaviour policy.

The headteacher will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently.

5.3 Staff

Staff are responsible for:

- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recording behaviour incidents (see appendix 3 for a behaviour log)

The senior leadership team will support staff in responding to behaviour incidents.

5.4 Parents

Parents are expected to:

- Support their child in adhering to the pupil code of conduct
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly

6. Pupil code of conduct

Pupils are expected to:

- Behave in an orderly and self-controlled way
- Show respect to members of staff and each other
- In class, make it possible for all pupils to learn
- Move quietly around the school
- Treat the school buildings and school property with respect
- Wear the correct uniform at all times
- Accept sanctions when given
- Refrain from behaving in a way that brings the school into disrepute, including when outside school

7. Rewards and sanctions

7.1 List of rewards and sanctions

Positive behaviour will be rewarded with:

- Praise
- Dojo points
- Letters or phone calls home to parents
- Special responsibilities/privileges

The school may use one or more of the following sanctions in response to unacceptable behaviour:

- A verbal reprimand
- Sending the pupil out of the class
- Expecting work to be completed at home, or at break or lunchtime

- Detention at break or lunchtime
- Referring the pupil to a senior member of staff
- Letters or phone calls home to parents
- Agreeing a behaviour contract
- Putting a pupil 'on report'

Pupils may be sent to the buddy class or Assistant Headteacher during lessons if they are disruptive, and they will be expected to complete the same work as they would in class. Teachers follow the consequence steps which are displayed in every classroom and can be found in appendix 2.

Pupils who do not attend a given detention are also sent to the Assistant Head.

7.2 Off-site behaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school, such as on a school trip or on the bus on the way to or from school.

7.3 Malicious allegations

Where a pupil makes an accusation against a member of staff and that accusation is shown to have been malicious, the headteacher will discipline the pupil in accordance with this policy.

Please refer to our safeguarding policy/statement of procedures for dealing with allegations of abuse against staff for more information on responding to allegations of abuse.

The headteacher will also consider the pastoral needs of staff accused of misconduct.

8. Behaviour management

8.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the pupil code of conduct or their own classroom rules
- Develop a positive relationship with pupils, which may include:
 - Greeting pupils in the morning/at the start of lessons
 - Establishing clear routines
 - Communicating expectations of behaviour in ways other than verbally
 - Highlighting and promoting good behaviour
 - Concluding the day positively and starting the next day afresh
 - Having a plan for dealing with low-level disruption
 - Using positive reinforcement

8.2 Physical restraint

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property Incidents

of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents (see appendix 3 for a behaviour log)

8.3 Confiscation

Any prohibited items (listed in section 3) found in pupils' possession will be confiscated. These items will not be returned to pupils.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.

Searching and screening pupils is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

8.4 Pupil support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

9. Pupil transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those pupils transferring to other schools.

10. Training

Our staff are provided with training on managing behaviour, and some are trained in using proper use of restraint.

Behaviour management will also form part of continuing professional development.

11. Monitoring arrangements

This behaviour policy will be reviewed by the head of school and the governing board every 3 years. At each review, the policy will be approved by the head of school.

12. Links with other policies

This behaviour policy is linked to the following policies:

- Exclusions policy
- Safeguarding policy

Amendment

During the COVID pandemic and considering the change in health and safety guidelines, there have been temporary changes applied to the consequences.

Stage 4: Children will be removed and sent between year group classes, adhering to keeping year group bubbles intact.

Stage 6: Children will not be sent to Mr Robinson (if in a different year group) but will need to be notified by the child's class teacher or class TA. Mr Robinson will then come to the child's class at the next available opportunity and have a socially distanced conversation with that child about their behaviour.

Stage 7: Mr Robinson will then notify Mrs Richards if the incident needs to be escalated. A socially distanced meeting will then commence with the child.
