

# Topic web: Year 6 Spring 1

## Maths

The Power Maths units we will be continuing with this term are:

Geometry

Decimals

Percentages

## Reading

Regular Echo Reads focusing on fluency, punctuation and comprehension skills.

Opportunities for class, paired and group reading to promote discussion and speaking and listening skills.

## Writing

Jane Consadine sentence stacking, SPAG opportunities and independent writing.

Narrative - The Graveyard Book by Neil Gaiman

## Geography/History

WW2 (Is it right to fight?): Rationing, timeline of key events, propaganda, homelife, Blitz, key people in the war, Axis and Aliies

## Music

Exploring and identifying the characteristics of film music. Creating a composition and graphic score to perform alongside a film.

## Science

Electricity:

Children will learn to represent circuits using symbols in a diagram. They will learn about important scientific inventors (Thomas Edison and Nikola Tesla) Children will get the opportunity to develop their understanding of what electricity is and how to measure it as well as conducting their own investigations.

## ICT

Continuation of:

Networks and communication

Creative media – 3D Modelling

Due to swimming, ICT time will be reduced this term.

## PE

Year 6 will be swimming until Easter

The Sports coaches will be teaching Basketball

## Art/DT

Art: Roy Liechtenstein – stippling. Profiling the artist, studying and then recreating work in his style.

DT: Anderson shelters – studying the science behind the shape and structure and its effectiveness. Children will then build their own.
